To our Valued Members and Guests,

As a community based organisation, we are taking the COVID-19 (Coronavirus) seriously. We are actively monitoring the ever evolving situation and are taking steps on a daily basis to help keep our community safe.

We have always managed the club to the highest food safety standards however we have implemented the following measures to ensure the safety of our staff, members and guests.

- Staff Education in important preventative measures
- "One Use Only" Menus
- Encouraging contactless payments wherever possible and regular sanitising of tills and machines
- Additional sanitisation of food handling equipment
- Increased frequency of cleaning and sanitising high touch areas including door handles, bar tops and benches
- Cleaning and sanitisation of all bistro tables before and after use
- Placing reminders in all of our bathroom facilities about the importance of hand washing
- Hand sanitiser is available at the entrance to the venue
- Ensuring that we comply with all Government regulations

We also ask for your support in keeping our venue safe and encourage all of our members and guests to

- Practice good hygiene and handwashing practices
- Cover coughs and sneezes into your elbow
- To ensure a safe environment for everyone, if you are feeling unwell and are showing signs of fever, cough or flu like symptoms to stay at home and seek medical advice

This is a constantly changing situation which we have never had to face before. We will continue to monitor the advice and recommendations from the government and health organisations and act accordingly.

We would like to thank all of our members and guests for supporting us through this time, we are truly grateful.
